MOLD OF THE MONTH!

Mold of the Month **20% Off!**

Seamless Aluminum
3 x 6.5" Pillar

TIP OF THE MONTH:

I had several votive molds that had rusted on the inside. I did not want to throw them all out so I decided to see if I could remove the rust. I read that rust could be removed from clothing with lemon juice and salt, so I decided to try it. I let the mold soak overnight and the next morning the rust was gone. I made a test candle in the mold and it worked great.

Thanks,
Helen Swindler
