★MIX OF THE MONTH:

This month's Scent blend:

Sweet Fried Bananas

60% Brown Sugar

40% Banana

TIP OF THE MONTH:

When I pour candles I lay an electric blanket, set on low heat, across my counter. That warms my jars just enough. When they have set, I pack them in the cardboard boxes the jars came in, stack them up and lay the electric blanket over them and just leave it on a few hours. No wet spots!
