## MIX OF THE MONTH:

This month's Scent blend:

### Island Girl

1/2 Pineapple

1/2 Jasmine

## TIP OF THE MONTH:

Pringles cans are perfect for making test batches of CP soap. I grease them well with Crisco and use my sniffies with 1# of soap that I reserve when making full batches. Insulate the can well with the top on. To easily remove the soap, make a small cut on the top of can with a good pair of scissors and the can will "peel" away like a can of refrigerated cinnamon rolls!
