★ TIP OF THE MONTH:

Try something a little different this summer...
Make a Candle Garden!
Candle Gardens can be a fun and creative way to display a variety of pillar and molded candles in your home or in your shop. Use a large non-flammable, heat resistant plate or tray. This can be any shape. Arrange a variety of 3 or 4 different sizes/shapes of pillars on the tray about an inch apart, and garnish with decorative items such as sand & shells, flowers, rosehips, potpourri, river rocks or sea glass, etc. Match the theme of your accessories to the scent and color of the candles, or do some fun combinations like Citruses & Spice scents, garnished with real dried orange slices and cinnamon sticks! Or how about a Coffee fragrance assortment garnished with real coffee beans! Try an arrangement of different Berry scents and garnish the tray with wax Strawberries & Raspberries! The possibilities are endless!
