BC Book Club!

Book of the Month **20% Off!**

This month's book is:

The Book of Candlemaking
By Chris Larkin

This is a great way to start your own collection of candlemaking, soapmaking, aromatherapy and craft books! Books are informative and inspiring, you can never have too many!

★MIX OF THE MONTH:

This month's Scent blend:

Cherry Lime Slush

50% Cherry
50% Lime

TIP OF THE MONTH:

We all keep notes for making candles - different waxes require different pour temps, wicks and FO usage. I make a lot of pillar candles, so what I do is write all the info I need right on the aluminum mold in black permanent magic marker. It is a real time saver not having to rifle through pages of notes, and my notebook stays "stain free".
