**Use code: J-0609**

## TIP OF THE MONTH:

I reuse those FO caps by using them to test the shade of a color on a new candle. I just simply use a teaspoon and put a bit of the wax in the cap and place it in the freezer. This way you know what color you are going to get and you do not have to wait for the wax to cool. You can adjust your color while the wax is hot. And we all have those extra caps lying around.

Stacey George  
Elk River, MN

## CONTESTS:

**Customer of the Month!** All online orders of \$50 or more are automatically entered each month to **win \$10 in BC Bucks!** **This Month's Winner:**

**Amanda Silver**
