## ★ COMPANY NEWS:

We enjoyed meeting some of you at the IGCA convention last month & we're looking forward to seeing more of you at next year's convention!

## ★ WEBSITE:

Our A to Z fragrance page has been redesigned to bring you more helpful info about our scents! We are working on the individual scent description pages which will include color suggestions, color of the oil, customer reviews and more! Once these are complete you'll be able to just click on the scent name and find everything you could possibly want to know! In the meanwhile we have put up a temporary descriptions page, and will be filling more of them in soon.

More CP Soap scent results have been added to the site!

New pop-up page has been added on How to make Potpourri! Check it out on the Incense & Air Fresheners page!

## ★ TIP OF THE MONTH:

An idea for the kids...  
**Bubble Gum Soaps!**

Using our White melt-n-pour soap and our new Bubble Gum fragrance, color the soap with our pink liquid Bath-n-Body dye. Pour soap into a square Rubbermaid container, about 1 inch deep. Allow to fully dry, and cut into 1.5 inch squares. Cut clear cellophane paper into 4 inch squares, lay one of the soap cubes onto the paper and roll it up. Twist the ends, and if needed tie with a small rubber band or even a thin pink ribbon to look like a real piece of bubble gum! These make great birthday party favors for kids over 5. Just make sure they know not to eat it!
