★ SALE ITEMS:

It's Christmas in August!

Each week of this month we will be having a different sale! Each week the new sale will be announced on our BC message board, so don't forget to check the board! You won't want to miss out on these special deals!

For week one, we are kicking it off with a **FREE SHIPPING SALE!** Yes you heard right! **FREE UPS Ground shipping** in the contiguous United States on all regular orders of \$25 or more! For Alaska, Hawaii & Canada we will offer 25% off surface mail shipping (see restrictions below)!

Sale starts August 1st at 12:00am central time, and ends on Aug. 7th at 11:59pm central. Special is good during those days only and applies to orders placed during the special only, and on in-stock items only, no back orders or rain checks will be given. Excludes cases of wax, soap, glassware, pottery, and bulk items such as bulk sand, additives, pallets, etc. Does not apply to trucked freight orders. **Must mention newsletter specials!**

TIP OF THE MONTH:

When using a metal mold with a flat bottom, instead of using the "sticky" mold seal, get a **FLAT 3x3"** square magnet. Leave a small portion of your wick out and place the magnet flat on the bottom of the mold, holding the wick in place and sealing the bottom of your mold. I have been using this procedure for a few months and is very easy and quick to do.
