TIP OF THE MONTH: Make Your Own Bath Oil-

Using carrier oils such as Grape Seed, Sweet Almond, or Sunflower Oil, etc, you can easily make your own Bath Oils and Massage Oils! Generally it takes about 1-2 oz of oil for a full body massage, so most are sold in 4 or 8 oz bottles. You can use a single carrier or a blend of carriers for the base. Add about 8-10 drops of Essential Oil or body safe fragrance oil per ounce of carrier oil. This same blend can also be blended with exfoliants such as salts, jojoba or apricot meal, and jojoba spheres, and packaged in jars for a great salt scrub or sugar scrub! These look great in our wire bail jars, or try packaging them in our 4 oz clear bottles for travel! These oils also make a wonderful cuticle rub, or a perfume oil base for use in roll on tubes!
