## TIP OF THE MONTH:

Here is a great gift packaging idea for the upcoming holidays! Empty Christmas cookie tins can be used to package 1.5 oz hex jars in. Simply place some red or green shredded paper in the bottom of the tin (coordinate with the color of the tin) and arrange 7 different holiday scented 1.5 oz hex jar candles inside the tin.....or one 4 oz hex jar in the center with 6 1.5 oz hex candles surrounding it. These would make great gifts for teachers, postal workers, etc. Just a thought! *Kelly Croasmun*
