BRIGHT IDEAS:

For a fabulous fall centerpiece, fill a pillar mold with chunks in shades of brown, rust, gold and green. Use uncolored wax to fill. Then over dip the pillar in cream colored wax until you have 1/8" coating. While coating is solid but still warm & pliable, use our small leaf shaped chunk cutters in random spots all over the pillar. Just press the cutter in until it hits the core, then carefully peel out the shapes. You'll have a beautiful Falling Leaves glow pillar!

MIX OF THE MONTH:

This month's Scent blend:

Christmas Party

1/3 [Yuletide](#)

1/3 [MacIntosh Apple](#)

1/3 [Pumpkin Spice](#)

TIP OF THE MONTH:

Attach a business card to a perfume sample to hand out at craft shows, flea markets or other venues to build contacts and future customers. I buy the small square cotton pads used for removing make-up that come in a pack of 100. Cut them in half, add a few drops of fragrance, and put in small ziplock bags, then staple the bags to my business cards.
