★ TIP OF THE MONTH:

Holiday Jar Oil Candles – Need a quick homemade gift? Fill a standard mason jar with some of our Rustic Blend Potpourri and some small pieces of bough from a pine tree. Move the pieces around so you can see the mini pine cones and the greenery. Fill the jar with liquid paraffin (candle lamp oil) and attach our mason jar oil wick lid. Tie some holiday print homespun or some silver and gold or red and green ribbon around the neck of the jar for a perfect finishing touch. A beautiful and refillable gift of light that will last forever! These are especially great for those people who are sensitive to fragranced products and prefer unscented candles! Also makes a great centerpiece for a Christmas dinner table!
